

YOUR WAY HOME AZ

Statewide Program

The Arizona Department of Housing (ADOH) will offer 22 percent in purchase assistance to qualified homebuyers purchasing an eligible foreclosed home in the state. ADOH provides help in the form of a deferred second mortgage loan for purchase assistance.

Qualifications

Eligibility for the purchase assistance is based on a variety of factors.

- The household must have a gross income (the total income before taxes, health care costs, social security, etc.) of no greater than 120 percent of the average median income for the county they want to purchase a foreclosed house in.
